More than 430 guests nibbled appetizers and sipped drinks while lingering over a sprawling auction offering everything from a precious 11-week-old chocolate Labrador puppy to a pair of vintage 1960s and 1970s fine dining during the cocktail hour at last Friday evening's Mad Hatter Ball held at the Omni.

The event was a huge success thanks to a dedicated cadre of volunteers led by co-chairs Cynthia Arnold and Mary Wilson, auction co-chairs Kathy Dorr and Ashley Larence, and honorary chair Lisa Campbell.

A brief program followed the multicourse dinner, which finished with a New York-style cheesecake. The festivities kicked into high gear when the Tommy Landstreet Band took the stage.
